Sir:

In accordance with the duty of disclosure under 37 C.F.R. § 1.56, Applicants hereby notify the U.S. Patent and Trademark Office of the document which is listed on the attached PTO/SB/08 A & B (modified) form and/or listed herein and which the Examiner may deem material to patentability of the claims of the above-identified application.

A copy of the listed document is submitted herewith. Also, enclosed is a Japanese Office Action in a corresponding Japanese Patent Application, citing the reference enclosed with this IDS.

The present Information Disclosure Statement is being filed: (1) No later than three months from the application's filing date; (2) Before the mailing date of the first Office Action on the merits (whichever is later); or (3) Before the mailing date of the first Office Action after

filing a request for continued examination (RCE) under §1.114, and therefore, no Statement under 37 C.F.R. § 1.97(e) or fee under 37 C.F.R. § 1.17(p) is required. Nevertheless, since a statement can be made, a statement is submitted herewith.

In compliance with the concise explanation requirement under 37 C.F.R. § 1.98(a)(3) for foreign language documents, Applicants submit the following explanations:

The summary on the attached document appearing after the title of the invention “Media Translation Based on QoS Requirement of Devices and Services” gives a relevant and accurate description of the content of the document. Also, Applicant has translated the description on lines 13-19 in the left column on page 135 of the document which also appears to be relevant to the Examiner’s comments in the Japanese Office Action in that it describes the same background as that of the invention of the present application.

“Terminals capable of connecting to computer networks are also being diversified. By means of miniaturization of processors, recording media, and the like, and energy saving methods, it is becoming possible to connect to computer networks not only by means of workstations or personal computers, but also by means of portable information terminals (PDS: Personal Digital Assistants), portable telephones, wearable computers, and the like.”

The submission of the listed document is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicants do not waive any right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.
